# Green Thumb FARMS

Our Commitment & Promise...

- 1 Consistently High Quality Product
- 2 Excellent Customer Service
- 3 Fully Mature Sod
- 4 Reliable Deliveries

Owned and operated by the Thibodeau Family, Green Thumb Farms is located in Fryeburg, Maine. Our location in the Saco River Valley provides us with unique growing conditions and nutrient rich soils. These complimentary conditions coupled with high quality seed and a dedicated crew ensures the superior quality sod our customers have relied upon since 2005

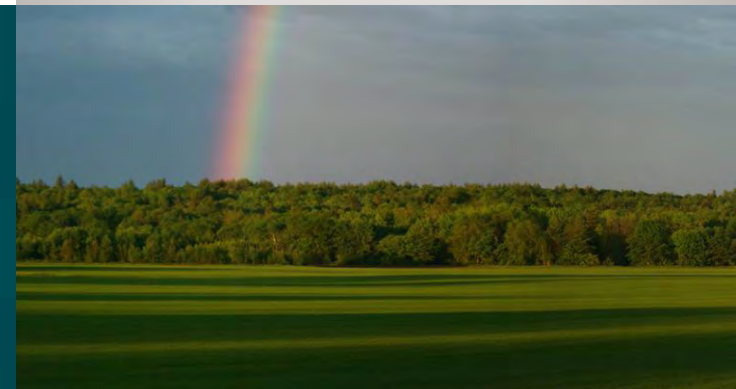

We currently offer three varieties of turf; Kentucky Bluegrass, a Fine Fescue Blend, and a Tall Fescue Blend. In addition we also offer a variety of native sod grown in Downeast Maine.

At Green Thumb Farms we take pride in providing high quality sod and superior customer service. Our staff will work with you to provide the results you and your customers expect from placing orders to delivery. We look forward to working with you. Call or stop by our farm today!

## Maine Native Sod:

Most Varieties are sold in 16" x 24" Slabs  
Not Plugs!

Low Bush Blueberry, Huckleberry,  
Bunchberry, Multiple Fern & Moss Options!  
Check out our website for pricing & details!

### INSTALLATION TIPS:

Give your lawn the best start you can provide  
with our custom blended starter fertilizer!  
Only \$15 for a 25lb. bag.  
Recommended application rate of 5lbs. per  
1000 SqFt.

All turf should be installed the day it is received.  
The first watering of newly installed turf is most  
important and should be done immediately after  
installation. This will establish how well the  
grass will perform for years to come.
